## INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF:  
YASH ORGANISER PRIVATE LIMITED,

### REPORT ON THE IND AS FINANCIAL STATEMENTS

We have audited the accompanying Ind AS financial statements of YASH ORGANISER PRIVATE LIMITED (“the company”), which comprise the Balance Sheet as at 31st March, 2017, the Statement of Profit and Loss (including other Comprehensive Income), the Cash Flow Statement and the statement of changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as “Ind AS financial statement”).

### MANAGEMENT’S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS

The Company’s Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 (“the Act”) with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act, read with relevant rules issued there under. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### AUDITOR’S RESPONSIBILITY

Our responsibility is to express an opinion on these Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS financial statements are free from material misstatements.

An Audit involves performing procedures to obtain Audit Evidence about the amounts and Disclosures in the Ind AS Financial Statements. The procedures selected depend on the Auditor’s judgments, including the assessment of risks of material misstatement of the Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to company’s preparation of the Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An Audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company’s directors, as well as evaluating the overall presentation of the Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

## OPINION

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the Accounting Principles generally accepted in India, of the state of affairs of the Company as at 31<sup>st</sup> March, 2017, and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

**ANNEXURE - B TO THE INDEPENDENT AUDITORS' REPORT  
TO THE MEMBERS OF  
YASH ORGANISER PRIVATE LIMITED,**

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of YASH ORGANISER PRIVATE LIMITED ("the Company") as of March 31, 2017 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls Over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

## Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

18. SIGNIFICANT ACCOUNTING POLICIES:

1.1 NATURE OF OPERATIONS:

The Company was incorporated in 2006. The company is a private limited company incorporated and domiciled in India. And has its registered office at Ahmedabad, Gujarat, India. The company's main business is real estate promotion and development in residential and commercial segment.

1.2 BASIS OF PREPARATION OF FINANCIAL STATEMENTS:

These financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS) as specified under section 133 of the Companies Act 2013 read together with the Rule 4 of Companies (Indian Accounting Standards) Rules, 2015 as amended by Companies (Indian Accounting Standards) Amendment Rules 2016 to the extent applicable and the other relevant provisions of the Act, pronouncements of the regulatory bodies applicable to the company.

The financial statements for the year ended 31st March, 2016 and the opening Balance Sheet as at 1st April, 2015 have been restated in accordance with Ind AS for comparative information. The financial statements for the year ended on 31st March, 2017 are the first financial statement of the Company under Ind AS. In accordance of Ind AS 101, First time Adoption of Indian Accounting Standard, the Company has given an explanation of how the transition from previous GAAP to Ind AS has affected the Company's financial position, financial performance and cash flows (Refer note 19).

The financial statements have been prepared on going concern and accrual basis. The accounting policies are applied consistently to all the periods presented in the financial statements, including the preparation of the opening Ind AS Balance Sheet as at 1st April, 2015 being the 'date of transition to Ind AS'.

The financial statements of the Company for the year ended March 31, 2017 were approved by the Board of Directors on 23/05/2017.

1.3. BASIS OF MEASUREMENT:

The Ind AS Financial Statements have been prepared on a going concern basis using historical cost convention and on an accrual method of accounting, except for certain financial assets and liabilities as specified and defined benefit plans which have been measured at actuarial valuation as required by relevant Ind AS.

1.4 BASIS FOR CLASSIFICATION OF ASSETS & LIABILITIES:

All the assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets or processing and their realization in cash and cash equivalent, the Company has ascertained its operating cycle to be 12 months for the purpose of current – non current classification of assets and liabilities.

**1.5 CRITICAL ACCOUNTING ESTIMATES AND JUDGEMENTS:**

The preparation of financial statements in conformity with Generally Accepted Accounting Principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates. Revisions to accounting estimates are recognised prospectively.

The areas involving critical estimates or judgments are:

- Estimation of defined benefit obligation (Note 1.13)
- Estimation of Useful life of Property, plant and equipment and intangibles (Note 1.7)
- Estimation of taxes (Note 1.11)
- Estimation of impairment (Note 1.10, 1.14)
- Estimation of provision and contingent liabilities (Note 1.17)

**1.6. RECENT ACCOUNTING DEVELOPMENTS**

Standards issued but not yet effective:-

In March 2017, the Ministry of Corporate Affairs issued the Companies (Indian Accounting Standards) (Amendments) Rules, 2017, notifying amendments to Ind AS 7, 'Statement of Cash Flows' and Ind AS 102, 'Share-based payment.' These amendments are in accordance with the recent amendments made by International Accounting Standards Board (IASB) to IAS 7, 'Statement of Cash Flows' and IFRS 2, 'Share based payment,' respectively. The amendments are applicable to the Company from April 1, 2017.

Amendment to Ind AS 7:-

The amendment to Ind AS 7 requires the entities to provide disclosures that enable users of financial statements to evaluate changes in liabilities arising from financing activities, including both changes arising from cash flows and non-cash changes, suggesting inclusion of a reconciliation between the opening and closing balances in the balance sheet for liabilities arising from financing activities, to meet the disclosure requirement.

The Company is evaluating the requirements of the amendment and the effect on the financial statements is being evaluated.

Amendment to Ind AS 102:-

The amendment to Ind AS 102 provides specific guidance to measurement of cash-settled awards, modification of cash-settled awards and awards that include a net settlement feature in respect of withholding taxes.

It clarifies that the fair value of cash-settled awards is determined on a basis consistent with that used for equity-settled awards. Market based performance conditions and non-vesting conditions are reflected in the 'fair values', but non-market performance conditions and service vesting conditions are reflected in the estimate of the number of awards expected to vest. Also, the amendment clarifies that if the terms and conditions of a cash-settled share-based payment transaction are modified with the result that it becomes an equity-settled share-based payment transaction, the transaction is accounted for as such from the date of the modification. Further, the amendment requires the award that includes a net settlement feature in respect of withholding taxes to be treated as equity-settled in its entirety.

The cash payment to the tax authority is treated as if it was part of an equity settlement. The Company is evaluating the requirements of the amendment and the impact on the financial statements is being evaluated.

**YASH ORGANISER PRIVATE LIMITED**  
**NOTES FORMING PART OF ACCOUNTS:**

**1.7. PROPERTY, PLANT & EQUIPMENT:**

A. Property, Plant & Equipment are stated at cost of acquisition or construction net of accumulated depreciation and accumulated impairment losses, if any. Cost comprises the purchase price and other directly attributable costs. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.

Transition to Ind AS:-

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognised as at April 1, 2015 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

B. Depreciation on fixed assets:

Depreciation is provided based on a pro-rata basis on the useful life of the assets as prescribed in Schedule II of the Companies Act, 2013 on the "Written down value" method in respect of all assets.

**1.8 INTANGIBLE ASSET**

Intangible Assets are recognized when it is probable that the future economic benefits that are attributable to the assets will flow to the company and the cost of asset can be measured reliably.

Intangible Assets are stated at cost, net of accumulated amortization and accumulated impairment loss, if any. Cost includes any expenditure directly attributable on making the asset ready for its intended use.

Transition to Ind AS:-

On transition to Ind AS, the Company has elected to continue with the carrying value of all of intangible assets recognised as at April 1, 2015 measured as per the previous GAAP and use that carrying value as the deemed cost of intangible assets.

Intangible assets with finite lives are amortized over their useful economic life. The amortisation period and the amortisation method for finite-life intangible assets is reviewed at each financial year end and adjusted prospectively, if appropriate.

**1.9. BORROWING COST:**

Borrowing costs attributable to the acquisition, construction or production of qualifying assets (i.e. assets that necessarily take substantial period of time to get ready for their intended use or sale) are capitalised as part of the cost of such asset up to the date when such asset is ready for its intended use or sale. Other borrowing costs are recognised as an expense in the period in which they are incurred. Further, interest earned out of borrowed funds from temporary investments is reduced from the borrowing cost.

**1.10 FINANCIAL INSTRUMENT:**

A financial instrument is any contract that gives rise to a financial asset of one entity and financial liability or equity instrument of another entity.

I) Financial Asset:-

Initial recognition and measurement:

All financial instruments are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through P&L, transaction costs that are attributable to the acquisition of the financial asset, purchase or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place are recognized on the trade date i.e. the date that the company commits to purchase or sell the asset.

**YASH ORGANISER PRIVATE LIMITED**  
**NOTES FORMING PART OF ACCOUNTS:**

**Subsequent Measurement:**

For the purpose of subsequent measurement financial assets are classified as measured at:

- Amortised cost
  - Fair value through profit and loss (FVTPL)
  - Fair value through other comprehensive income (FVOCI).
- (a) Financial Asset measured at amortized cost:  
Financial Assets held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding are measured at amortized cost using effective interest rate (EIR) method. The EIR amortization is recognized as finance income in the statement of Profit & Loss. The company while applying above criteria has classified the following at amortized cost:
- (a) Trade receivables
  - (b) Loans
  - (c) Other financial assets
- (b) Financial Assets Measured at fair value through other comprehensive income:  
Financial assets that are held within a business model whose objective is achieved by both, selling financial assets and collecting contractual cash flows that are solely payments of principal and interest, are subsequently measured at fair value through other comprehensive income. Fair value movements are recognized in the other comprehensive income (OCI). Interest income measured using the EIR method and impairment losses, if any are recognized in the Statement of Profit and Loss. On derecognition, cumulative gain or loss previously recognised in OCI is reclassified from the equity to 'other income' in the Statement of Profit and Loss.
- (c) Financial Assets at fair value through profit or loss (FVTPL):  
Financial Asset are measured at Fair value through Profit & Loss if it does not meet the criteria for classification as measured at amortized cost or at FVOCI. All fair value changes are recognized in the statement of Profit & Loss.

**Equity Instruments:-**

All investments in equity instruments classified under financial assets are initially measured at fair value, the group may, on initial recognition, irrevocably elect to measure the same either at FVOCI or FVTPL.

**De-recognition of Financial Assets:-**

Financial assets are derecognized when the contractual rights to the cash flows from the financial asset expire or the financial asset is transferred and the transfer qualifies for Derecognition. On Derecognition of a financial asset in its entirety, the difference between the carrying amount (measured on the date of recognition) and the consideration received (including any new asset obtained less any new liability assumed) shall be recognized in the statement of Profit & Loss.

**Impairment of Financial Assets:-**

In accordance with Ind AS 109, the company applies expected credit loss (ECL) model by adopting the simplified approach using a provision matrix reflecting current condition and forecasts of future economic conditions for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- (a) Financial Assets that are debt instruments, and are measured at amortized cost e.g. loans, debt securities, deposits, trade receivables and bank balance
- (b) Financial Assets that are debt instruments and are measured at FVOCI.
- (c) Lease receivables under Ind AS 17.
- (d) Trade receivables or any contractual right to receive cash or another financial asset
- (e) Loan commitments which are not measured at FVTPL
- (f) Financial guarantee contracts which are not measured at FVTPL

**YASH ORGANISER PRIVATE LIMITED**  
**NOTES FORMING PART OF ACCOUNTS:**

(II) Financial Liability

Initial recognition and measurement:

Financial liabilities are recognized initially at fair value plus any transaction cost that are attributable to the acquisition of the financial liability except financial liabilities at FVTPL that are measured at fair value.

Subsequent measurement:

Financial liabilities are subsequently measured at amortised cost using the EIR method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

Financial Liabilities at amortized cost:

Amortized cost for financial liabilities represents amount at which financial liability is measured at initial recognition minus the principal repayments, plus or minus the cumulative amortization using the effective interest method of any difference between the initial amount and the maturity amount.

The company is classifying the following under amortized cost

- Borrowings from banks
- Borrowings from others
- Trade payables
- Other Financial Liabilities

Derecognition:

A financial liability shall be derecognized when, and only when, it is extinguished i.e. when the obligation specified in the contract is discharged or cancelled or expires.

1.11. INCOME TAXES:

Income tax expense for the year comprises of current tax and deferred tax.

Provision for Current Tax is computed as per Total Income Returnable under the Income Tax Act, 1961 taking into account available deductions and exemptions.

Deferred tax is recognised in respect of temporary differences between the carrying amount of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets are recognised only to the extent that it is probable that future taxable profits will be available against which the asset can be utilised.

1.12. REVENUE RECOGNITION:

The company is following the 'Percentage of Completion Method' of accounting. As per this method, revenue from sale of properties is recognized in Statement of Profit & Loss in proportion to the actual cost incurred as against the total estimated cost of projects under execution with the Company on transfer of significant risk and reward to the buyer.

The Company records revenue on all its Real Estate Development Projects in accordance with 'Guidance note on Accounting for Real Estate Transactions' issued by the Institute of Chartered Accountants of India.

The full revenue is recognized on sale of property when the Company has transferred to the buyer all significant risks & rewards of ownership and when the seller has not to perform any substantial acts to complete the contract.

However, when the Company is obliged to perform any substantial acts after transfer of all significant risks & rewards of ownership on sale of property, the revenue is recognized on proportionate basis as the acts are performed i.e. by applying the percentage completion method.

Interest income is recognized using the effective interest rate (EIR) method.

**1.14. IMPAIRMENT OF ASSETS:**

An asset is treated as impaired when the carrying cost of asset exceeds its recoverable value. Recoverable value being higher of value in use and net selling price. Value in use is computed at net present value of cash flow expected over the balance useful life of the assets. An impairment loss is recognized in the year in which an asset is identified as impaired as an expense in the Profit and Loss Account.

**1.15. INVENTORY:**

Inventories are valued at the lower of cost and net realisable value.

**A.** In case of the inventory of Raw-materials, they are valued at cost using FIFO method.

**B.** The Closing stock of WIP has been valued at cost.

**1.16. TRANSACTIONS IN FOREIGN CURRENCY:**

**A.** Foreign currency transactions are translated into the functional currency using exchange rates at the date of the transaction.

**B.** Monetary items denominated in foreign currencies at the period end are restated at year end rates.

**C.** Non monetary foreign currency items are carried at cost.

**D.** Any income or expense on account of exchange difference either on settlement or on transaction is recognised in the statement of profit and loss.

**1.17. PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS:**

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events, it is probable that there will be an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date. If the effect of the time value of money is material, provisions are discounted to reflect its present value using a current pre-tax rate that reflects the current market assessments of the time value of money and the risks specific to the obligation.

Contingent liabilities are disclosed when there is a possible obligation arising from past event, the existence of which will be confirmed only by occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arise from past event where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount can not be made.

**1.19. EARNINGS PER SHARE:**

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all potential dilutive equity shares.

The cash flows from operating, investing and financing activities of the company are segregated.

19. First-time adoption of Ind AS

These financial statements, for the year ended 31 March 2017, are the first the Company has prepared in accordance with Ind AS. For periods up to and including the year ended 31 March 2016, the company prepared its financial statements in accordance with accounting standards notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (Indian GAAP).

Accordingly, the company has prepared financial statements which comply with Ind AS applicable for periods ending on 31 March 2017, together with the comparative period data as at and for the year ended 31 March 2016, as described in the summary of significant accounting policies. In preparing these financial statements, the Company's opening balance sheet was prepared as at 1 April 2015, the Company's date of transition to Ind AS. This note explains the principal adjustments made by the Company in restating its Indian GAAP financial statements, including the balance sheet as at 1 April 2015 and the financial statements as at and for the year ended 31 March 2016.

In preparing these Ind AS financial statements, the Company has availed certain exemptions and exceptions in accordance with Ind AS 101, as explained below.

A. Mandatory Exceptions from retrospective application:-

Estimates:

An entity's estimates in accordance with Ind AS at the date of transition to Ind AS shall be consistent with estimates made for the same date in accordance with previous GAAP (after accounting policies), unless there is an objective evidence that those estimates were in error.

Ind AS estimates as at 1 April, 2015 are consistent with the estimates as at same date made in conformity with previous GAAP. The company made estimates for following items in accordance with Ind AS at the date of transition as these were not required under previous GAAP.

- Investments in equity instruments carried at FVTPL or FVTOCI
- Investments in debt instruments carried at FVTPL
- Impairment of financial assets based on expected credit loss model.

Classification and measurement of financial assets:

Ind AS 101 requires an entity to assess classification and measurement of financial assets (investment in debt instruments) on the basis of the facts and circumstances that exist at the date of transition to Ind AS.

B. Optional Exemptions from retrospective application:-

Ind AS 101 allows first-time adopters certain exemptions from the retrospective application of certain requirements under Ind AS. The Company has applied the following exemptions:

Deemed cost:

Ind AS 101 permits a first-time adopter to elect to continue with the carrying value for all of its property, plant and equipment as recognised in the financial statements as at the date of transition to Ind AS, measured as per the previous GAAP and use that as its deemed cost as at the date of transition after making necessary adjustments for de-commissioning liabilities. This exemption can also be used for intangible assets covered by Ind AS 38 Intangible Assets and investment property covered by Ind AS 40 Investment Properties.

Accordingly, the company has elected to measure all of its property, plant and equipment, intangible assets and investment property at their previous GAAP carrying value.

26. Financial Risk Management:-

The Company's activities expose it to market risk, liquidity risk and credit risk. In order to minimize any adverse effects on the financial performance of the Company, derivative financial instruments, such as foreign exchange forward contracts, foreign currency option contracts are entered to hedge certain foreign currency risk exposures and interest rate swaps to hedge variable interest rate exposures. Derivatives are used exclusively for hedging purposes and not as trading or speculative instruments.

This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the impact of hedge accounting in the financial statements

Risk	Exposure	Measurement	Management
Credit Risk	Financial Assets measured at amortised cost	-Ageing Analysis -Credit Ratings	Diversification, Credit Limits
Liquidity Risk	Borrowing and other liabilities	Rolling Cash flow forecasts	Availability of committed borrowing facilities

**Credit Risk Management**

Credit risk is managed on a company basis. For banks and financial institutions, only high rated banks/institutions are accepted.

For other financial assets, the company assesses and manages credit risk based on internal credit rating system. The finance function consists of a separate team who assess and maintain an internal credit rating system. Internal credit rating is performed on a company basis for each class of financial instruments with different characteristics.

**Liquidity Risk**

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due and to close out market positions. Due to the dynamic nature of the underlying businesses, company treasury maintains flexibility in funding by maintaining availability under committed credit lines.

Management monitors rolling forecasts of the company's liquidity position and cash and cash equivalents on the basis of expected cash flows. This is generally carried out at local level in the operating companies of the company in accordance with practice and limits set by the company. These limits vary by location to take into account the liquidity of the market in which the entity operates. In addition, the company's liquidity management policy involves projecting cash flows in major currencies and considering the level of liquid assets necessary to meet these, monitoring balance sheet liquidity ratios against internal and external regulatory requirements and maintaining debt financing plans.
